

# WHIRLWINDS TRACK CLUB SPONSORSHIP PACKAGES

Whirlwinds Track Club is seeking corporate sponsors for our youth organization. Our organization ranges from the ages 7-18. Whirlwinds Track Club competes in both AAU & USATF meets throughout the summer. Our team is filled with several regional and nationally ranked athletes and future leaders. We are a very competitive organization and compete with the very best that the tri-state area has to offer.

With your generous support we hope to continue that success and build upon it. As with other sports we believe that track and field is not only a great sport, but it teaches the young men and women of our communities about life. Teamwork, perseverance, commitment, passion and a great work ethic are all stressed to our youth. As a business owner or manager, you know these traits because you live them every day.

Our organization also thrives to help kids who are less fortunate but want to participate in track and field by providing them an outlet. Please help us continue to grow this organization to be difference makers for our youths. We have broken down our sponsorship levels as follows:
